To Whom It May Concern

Tyco Fire Protection Products EMEA is worlds larges fire safety provider working in 122 countries and located in 22 countries through its 1800 employees.

Maxim A. Zgodko and the Ackermann Bellmer law firm representing our distributor CargoPlus based Moscow, has been instrumental in various discussions related to legal entity structures, custom clearance channels in light of trade compliance where Mr. Zgodko has sown a pragmatic approach within the Russian legislation criteria.

To the best of our knowledge, we can recommend Mr. Zgodko to any person or institution using legal services.

Sincerely;

**Tyco Building
Services Products**

L.L.C. (Bert) Schultink
Territory Director Russia, east Europe and Benelux.
